

2009

Master Recycler Composter Training

April 22 – May 27, 2009

Are you interested in **waste prevention, recycling** and **how to reduce your carbon footprint**? Do you want to make a positive difference for the environment right here in King County?

Join the growing ranks of King County Master Recycler Composter volunteers!

What: The King County Master Recycler Composter Program is a community education program about resource conservation and waste reduction. Participants receive **FREE** training about waste prevention, recycling and composting from local experts. Access our Website for more program information: kingcounty.gov/solidwaste/mrc.

When: Wednesday evenings (6:30-9 p.m.) from April 22 through May 27, plus two Saturday sessions will be held (9 a.m. - 3 p.m.) on April 25 and May 16 for tours and workshops.

Where: WSU King County Extension,
200 Mill Ave S., Suite 100, Renton, WA.

Cost: FREE! The Master Composter Recycler Program includes training and educational materials. There is no monetary fee for this course. In exchange for the free training, program graduates are expected to volunteer 40 hours of outreach within two years in King County, outside of Seattle.

As a Master Recycler Composter, you will become part of a select group of King County residents improving our environmental quality by sharing what you learn with friends, neighbors and the community at large.

Application Deadline is April 15, 2009!

For an application or to request accommodations, contact Karen May at 206-296-4353 or 711 (TTY Relay) or via e-mail at karen.may@kingcounty.gov

This information is available in alternative formats upon request for individuals with disabilities.
